

Main Forum

Main Forum of WOW 2009

Secondary Forum

Scientific Forum on Watershed and Estuary Management

International Forum on Protection of Marine Biodiversity

Forum on the Oceans and Coastal Management in Developing Countries

2009 International Workshop on Protection of Whales and Dolphins in China

Workshop on Innovating Marine Services & Developing Marine Industries

The Fifteenth National Joint Meeting on Islands Management

International Workshop on “the Oceans and Global Climate Change”

International Forum on Marine “Microbial Carbon Pump” & Workshop of SCOR MCP and WG

2009 International Forum on Development of Yachts Economy

Main Forum of WOW 2009

Time: 09:00 - 18:00, Nov. 6th

Venue: International Conference Hall, 4F, Xiamen International Conference & Exhibition Center

Theme: Protection and Sustainable Utilization of Islands.

Organizer: Secretariat of the Organizing Committee of WOW.

Nov. 5, Thursday	
08:30 ~ 17:30	Registration
	WOW Welcome Banquet
18:00 ~ 19:30	Host: Leaders from Xiamen Municipality Speeches by Leaders of the WOW Organizing Committee
20:00~21:30	Concert of 2009 WOW
Nov. 6, Friday	
09:00~ 18:20	Promoting Marine Ecological Civilization---- Protection and Sustainable Utilization of Islands International Meeting Hall, 4/F Xiamen International Conference & Exhibition Centre
	Opening Addresses Vice Mayor of Xiamen People's Municipal
09:00~ 09:30	A welcome speech by Mr. Liu Cigui, Mayor of Xiamen People's Municipal Government; Speech by Mr. Sun Zhihui, Director-General of SOA, P.R. China; Speech by Mr. Subinay Nandy, Country Director of UNDP China; Speech by Mr. Raphael Lotilla, Executive Director of PEMSEA.
09:30~ 09:45	Coffee Break
09:45~ 12:00	Session I: Policy Report Legislation and Programming for Islands & Relevant Policies on Island Management Mr. Zhang Zhanhai, Director-General, Department of International Cooperation, SOA, P.R. China Mr. Liang Fengkui, Division Chief, Department of International Cooperation, SOA, P.R. China
09:45 ~ 10:05	Speech by Ms. Lü Caixia, Director of Island Management Office, SOA, P.R. China (Policies and Actions of Island Management in China)
10:05 ~ 10:25	Speech by UNDP's representative.

	Policies on Island Management in <i>UN Convention on the Law of the Sea</i>)
10:25 ~ 10:45	Speech by Prof. Raphael Lotilla, Executive director of PEMSEA Developing Legislation and Policies for the Integrated Coastal Management of Islands)
10:45 ~ 11:05	Speech by Mr. Wenxi ZHU. Head of the Secretariat for WESTPAC, UNESCO-Intergovernmental Oceanographic Commission (Promote the application of marine science in the sustainable development)
11:05 ~ 11:25	Speech by Pacific island scientist Ms. Kate Brown, Current GLISPA coordinator, Former senior advisor at the Secretariat of the Pacific Regional Environment Programme(SPREP) (From a global voice to local action – implementing the Convention on Biological Diversity on islands)
11:25 ~ 11:55	Discussions
12:00~ 13:30	Lunch
14:00~ 16:00	Session II: Exchanges of Experience Topic: Exchanges of Experiences on Island Protection, Development and Utilization Chair: Mr. Wang Yexu, Programme Manager of UNDP China Recorder: Mr. Mao Bin
14:00 ~ 14:20	Speech by Mr. Pan Shijian, Vice Mayor of Xiamen Government
14:20 ~ 14:40	Speech by Mr. Abbey Seth Mayer, Director of State of Hawaii, Office of Planning (Planning and Regulation – Coastal Zone Management in the Hawaiian Islands: Balancing growth and ment with natural resource protection)
14:40~15:00	Speech by Mr. Felipe Hilan A. Nava, Governor of Guimaras Province, Philippines Island Development Strategy for Environmental Sustainability: The Case of Guimaras, Philippines)
15:00 ~ 15:20	Speech by Mr. Chen Bingshui, Vice Mayor of Ning Bo Government
15:20 ~ 15:40	Speech by Mr. Lorenzo Olarte Cullen, President of FICC-Canary Islands, Spain
15:40 ~ 16:00	Speech by Mr. Stephane Asselin, Vice President/Principal, Global Director, Environmental and Ecological Planning, EDAW AECOM (Sustainable Planning and Design Strategies for Island Tourism Development)
16:00 ~ 16:20	Discussions
16:20~ 16:35	Break

	Session III: Expert Forum
	Features of Island Ecosystems & Measures of Conservation
16:35~ 17:55	and Development
	Chair: Dr. Yu Huming, Researcher from China Institute for Marine Affairs (CIMA)
	Dr. Jin Di, Senior Scientist of Woods Hole Oceanographic Institution, USA
16:35 ~ 16:55	Speech by Prof. Yonathan Zohar, Director, Center of Marine Biotechnology, University of Maryland Biotechnology Institute
	he Next Generation of Marine Aquaculture: Land Based, Fully Contained and Environmentally Sustainable)
16:55 ~ 17:15	Speech by Mr. Jin Xianglong, an academican of Chinese Academy of Engineering.
	(The Strategic Importance to Strengthen Island Management and Economic Development)
17:15 ~ 17:35	Speech by Dr. Osamu Matsuda, Honorary Professor of Hiroshima University
	(Features of Island Ecosystem & Measures of Conservation and Development)
17:35 ~ 17:55	Speech by Mr. David Freestone, Professor of George Washington University Law School
17:55~ 18:20	Summary and Conclusions
	Dr. Chua Thia-Eng, Council Chair of East Asian Seas Partnership Council, PEMSEA
	1、 Summary by Chairs of each session:
	Policy Report Summary by Mr. Zhang Zhanhai
	Exchanges of Experiences Summary by Mr. Wang Yexu
	Expert Forum Summary by Dr. Yu Huming
	2、 Summary and Conclusions of the Main Forum by Dr. Chua Thia-Eng.
18:40~ 20:00	Dinner

Scientific Forum on Watershed and Estuary Management

Date: Nov. 7th, 2009, whole day

Venue: Xiamen International Conference & Exhibition Centre

Sponsored by: World Ocean Week

Xiamen University Undertaken by: Xiamen University

Co-convened by: Intergovernmental Oceanographic Commission (IOC)/WESTPAC

Land-Ocean Interactions in the Coastal Zone (LOICZ)-East Asia Node

Partnerships in Environmental Management for the Seas of East Asia (PEMSEA)

Stockholm International Water Institute (SIWI)

09:00-09:10	Opening Remarks by Vice Mayor Mr. Shijian Pan (to be confirmed)
Session I:	Impacts of Global Changes on Estuary Ecosystem
Chair:	Prof. Ekko C. van Ierland, Wageningen University, the Netherlands
09:10-09:30	Addressing Impacts on Estuarine Systems Including from Climate Change in an Ocean Governance Framework Prof. Gunnar Kullenberg, former Executive Secretary, Intergovernmental Oceanographic Commission (IOC-UNESCO)
09:30-09:50	Connecting the Issues of Global Change to Estuarine Management Through Science: a Case Study focused on the Chesapeake Bay estuary, USA Prof. Robert John Wood, Director, the Cooperative Oxford Lab, National Oceanic and Atmospheric Administration (NOAA), the United States
09:50-10:10	The Littoral & the Wetlands need new laws to Manage the Effects of Climate Change Doctorate Jean-Luc Simeon, Laboratory PACTE-UMR-CNRS, France
10:10-10:40	Discussion
10:40-11:00	Coffee Break
Session II:	Watershed Resources and Environment Management
Chair:	Mr. Jakob Granit, Project Director, Stockholm International Water Institute (SIWI)
11:00-11:20	Restoring the Water Quality of Lake Mälaren: An Integrated Watershed Approach Benefitting Stockholm and Surrounding Waters Prof. Jan Lundqvist, Chair, Scientific Programme Committee for the World Water Week in Stockholm (WWW)
11:20-11:40	Integrated River Basin and Coastal Area Management Approach to Managing Bays: The Case of Manila Bay, Philippines Dr. Vicente Tuddao, Jr., Executive Director, River Basin Control Office, Philippines
11:40-12:00	The Health Costs Associated with Harmful Algal Blooms: The Case of Florida Blooms of <i>Karenia Brevis</i> Dr. Di Jin, Senior Scientist, Marine Policy Center, Woods Hole Oceanography Institute (WHOI), the United States
12:00-12:30	Discussion

12:30-13:30	Lunch
Session III:	Integrated Watershed and Estuary Management-Scientific Support
Chair:	Prof. Gil Jacinto, Marine Science Institute, University of Philippines
13:30-13:50	Scientific Basis for Integrated Assessment and Management of the Jiulong River Watershed-Xiamen Bay Water Pollution Prof. Huasheng Hong, Xiamen University
13:50-14:10	Increasing Anthropogenic Nitrogen Inputs to the Watershed and DIN Exports from the Changjiang River under Changing Human Pressures Prof. Weijin Yan, Institute of Geographical Sciences and Natural Resources Research, Chinese Academy of Sciences
14:10-14:30	Influence of Seasonal and Periodic River Discharge Fluctuations on the Biogeochemistry of the Delaware Estuary Prof. Jonathan H. Sharp, College of Earth, Ocean and Environment, University of Delaware, the United States
14:30-15:00	Discussion
15:00-15:30	Coffee Break
Session IV:	Integrated Watershed and Estuary Management-Policies and Approaches
Chair:	Prof. Huasheng Hong, Xiamen University
15:30-15:50	New Approach towards Integrated Watershed and Estuary Management: Combining Concept and Activity on Sato-Umi and Sato-yama in Japan Dr. Osamu Matsuda, professor emeritus, Hiroshima University
15:50-16:10	From the Mountains to the Seas-the Integrated Watershed and Estuarine Environmental Management Practices in China Dr. Bin Wang, Deputy Director General, Environment Protection Department, State Oceanic Administration, P. R. China
16:10-16:30	China's Watershed and Estuary Management: Policies and Practices Dr. Huming Yu, Researcher, China Institute for Marine Affairs, State Oceanic Administration, P. R. China
16:30-17:00	Discussion
17:00-17:30	Summary and Conclusions Chair by Dr. Chua Thia-Eng, Chair, Partnership Council, PEMSEA 1、 Summary by Chairs of each session 2、 Summary and Conclusions by Dr. Chua Thia-Eng

The Fifteenth Meeting on Chinese National Islands Management

Date: Nov.10

Venue: Jinming Center Hotel, Xiamen

Sponsor: Island Management Office, China SOA

Organizers: Xiamen Oceans & Fisheries Bureau

The Third Institute of Oceanography, China SOA

Time	Content
Nov. 9 Monday, Registration	
Nov. 9 Monday, 18:00-19:00	Opening Ceremony
Nov.9 Tuesday The Fifteenth National Joint Meeting on Islands Management	
08: 45—09: 00	Registration
09: 00—09: 30	Opening Ceremony Chair: You Youxiong , Deputy Secretary-General of Xiamen Municipal Government,
09: 00—09: 10	Welcome Remarks
09: 10—09: 20	Remark from Pan Shijian—Vice Mayor of Xiamen Municipal Government
09: 20—09: 30	Remark from Zhang Hongsheng--Vice director of SOA
09: 30—10: 10	Coffee Break
10: 10—10: 50	Report from Lv Caixia, Secretary-General of Joint Meeting
10: 50—11: 30	Communicating among island cities on development experience and planning
11: 30—14: 00	Lunch and Break
14: 00—17: 30	Session II : Discussion Chair: Zhou Lumin, Vice director of Xiamen Oceans and Fisheries Bureau
14: 00—17: 30	Communicating among island cities about development experience and planning
18: 00—19: 30	Dinner
Nov.11 Wednesday, Visit Xiamen Island and go forward to Yuhuan County of Zhejiang Province (Participants who would like to go by bus has to gather at 8:30 am. The journey will be taken for 7 hours.)	
Nov.12 Thursday, Participate in the 2 nd Island Cultural Festival (Yuhuan, China) and investigate island economic development of Yuhuan Island	

International Workshop on "the Oceans and Global Climate Change"

Date: Oct.28

Sponsors: The Organizing Committee of WOW

State Key Laboratory of Marine Environmental Science (Xiamen University)

Co-organizer: Scientific Committee on Oceanic Research (SCOR)

Opening Remark	
14:00~14:20	SCOR Executive Director IGBP vice Chair Chinese official Xiamen University Academician of the Chinese Academy of Science
Report	
14:20~14:40	Academician of the Chinese Academy of Science
14:40~15:00	Farooq Azam (Scripps Institution of Oceanography, USA)
15:00~15:15	Dennis Hansell (University of Miami, RSMAS/MAC, USA)
15:15~15:30	David L. Kirchman (University of Delaware, USA)
15:30~15:45	Steven W. Wilhelm (The University of Tennessee, USA)
15:45~16:00	Coffee Break
16:00~16:15	Gerhard J. Herndl (University of Vienna, Austria)
16:15~16:30	Michal Koblížek (Institute of Microbiology CAS, Czech Republic)
16:30~16:45	Ronald Benner (University of South Carolina, USA)
16:45~17:00	Chen-Tung Arthur Chen (National Sun Yat-sen University, Taiwan)
17:00~17:15	Gerhard Kattner (Alfred Wegener Institute, Germany)
17:15~17:30	Feng Chen (University of Maryland Biotechnology Institute, USA)
17:30~17:45	Craig Carlson (University of California, Santa Barbara, USA)
17:45~18:00	Chuanlun Zhang (University of Georgia, USA)
17:45~19:30	Dinner

International Workshop on “Marine Microbial Carbon Pump”

Date: Oct.29-30

Sponsors: the Organizing Committee of WOW

State Key Laboratory of Marine Environmental Science (Xiamen University)

Co-organizer: Scientific Committee on Oceanic Research (SCOR)

Chair: Mr.Jiao Nianzhi	
08:30~09:00	Jiao Nianzhi (State Key Laboratory of Marine Environmental Science, Xiamen University)
09:00~09:30	Farooq Azam (Scripps Institution of Oceanography, USA)
09:30~10:00	Dennis Hansell (University of Miami, RSMAS/MAC, USA)
10:00~10:30	David L. Kirchman (University of Delaware, USA)
10:30~10:45	Coffee Break

11:45~12:15	Michal Koblížek (Institute of Microbiology CAS, Czech Republic)
12:15~14:00	Lunch
Chair: Dennis Hansell	
14:00~14:30	Ronald Benner (University of South Carolina, USA)
14:30~15:00	Richard Sempéré (Université de la Méditerranée, France)
15:00~15:30	Gerhard Kattner (Alfred Wegener Institute, Germany)
15:30~15:45	Coffee Break
Chair: Jiao Nianzhi &Farooq Azam	
15:45~16:45	A discussion of Methodology
16:45~17:45	A discussion of MCP
17:45~19:45	Dinner
Nov.6, International Workshop on “Marine Microbial Carbon Pump”	
Chair: Ronald Benner	
08:30~09:00	Colin Stedmon (Aarhus University, Denmark)
09:00~09:30	Carol Robinson (University of East Anglia, UK)
09:30~10:00	Chen-Tung Arthur Chen (National Sun Yat-sen University, Taiwan)
10:00~10:30	Susan Ziegler (Canada)
10:30~10:45	Coffee Break
Chair: David L. Kirchman	
10:45~11:15	Feng Chen (University of Maryland Biotechnology Institute, USA)
11:15~11:45	Xosé Antón Álvarez-Salgado (Instituto de Investigacions Mariñas, Spain)
11:45~12:15	Paul Harrison (The Hong Kong University of Science and Technology, China)
12:15~12:45	Ingrid Obernosterer (France)
12:15~14:00	Lunch
Chair: Richard Sempéré	
14 :00~14 :30	Craig Carlson (University of California, Santa Barbara, USA)
14 :30~15 :00	Nagappa Ramaiah (India)
15 :00~15 :30	Rainer Amon (USA)

15 :30~15 :45	Coffee Break
Chair: Craig Carlson	
15 :45~16 :15	Sang-Jin Kim (Korea Ocean Research & Development Institute, Korea)
16 :15~16 :45	Chuanlun Zhang (University of Georgia, USA)
16 :45~18 :15	Site visit to Xiamen University

International Forum on Protection of Marine Biodiversity

Date: Nov.7, 09:00-17:30

Venue: Peony International Hotel

Sponsor: China SOA、UNDP China、American National Oceanic and Atmospheric Administration (NOAA)

Organizer: The Third Institute of Oceanography, China SOA

Opening ceremony	chair: Mr. Zhang Zhanhai, Director of Cooperation Department of Stated Oceanic Administration (SOA)
9:00 ~ 9:05	Remark of Mr. Chen Lianzeng, Deputy Director of Stated Oceanic Administration (SOA)
9:05 ~ 9:10	Remark of representative from UNDP
9:10 ~ 9:15	Remark of representative from NOAA
9:15 ~ 9:20	Remark of leader from Xiamen Government
9:20 ~ 9:25	Remark of leader from Fujian Provincial Department of Oceans & Fisheries
9:25 ~ 9:40	Group Photo
9:40 ~ 10:00	Coffee Break (visit the exhibition of Biodiversity Programme in South China Sea)
10:00 ~ 10:20	Keynote Report
10:00 ~ 10:20	Promote the marine ecosystem management and build up the structure of marine ecological safety Wang Bin, Deputy Director of Environmental Protection Division of SOA
10:20 ~ 10: 40	The efforts of PEMSEA on strengthening effectiveness and sustainability of marine protected area and other related things about marine biodiversity in Eastern Asia Sea. Dr. Chua Thia ~ Eng, PEMSEA
10:40 ~ 12:30	International Experience Chair: Mr. Liang Fengkui, Division Chief of Cooperation Department of SOA
10:40 ~ 11:00	Zhuang Hao, Programme Coordinator, International Union for Conservation of Nature (China)
11:00 ~ 11:20	Introduction for Protection Experience of Marine Biodiversity, IOC ~ WESTPAC Suchana Apple Chavanich, Assistant Professor, leader of coastal biodiversity management programme of IOC ~ WESTPAC
11:20 ~ 11:40	Introduction for Protection Experience of Marine Biodiversity, YSLME Programme Jiang Yihang
11:40 ~ 12:00	Introduction for Protection Experience of Marine Biodiversity in USA based on Ecosystem Management Andrew De Vogelaere, Ph.D, the responsible person for national marine protected areaS programme in Monterey Bay, NOAA
12:00	Discussion
12: 00 ~ 14: 30	Lunch
14:30 ~ 14:50	Introduction for Protection Experience of Biodiversity Programme in South China Sea Zhou Qiulin, Professor, Executive Coordinator of Biodiversity Programme in South China Sea
14:50 ~ 18:00	Domestic Experience

	Chair: Prof. Zhou Qiulin, Executive Coordinator of Biodiversity Programme in South China Sea
14:50 ~ 15:10	Theories, Measures and Practices of Ecosystem Management in China Liu Yan, Researcher, National Institute for Marine Development Strategies
15:10 ~ 15:30	The Coastal Biodiversity Evaluation and Planning based on Ecosystem Chen Bin, Researcher, the Third Institute of Oceanography, SOA
15:30 ~ 15:50	The Service Value Assessment and Application of Marine Ecosystem Zhang Chaohui, Vice Researcher, the First Institute of Oceanography, SOA
15:50 ~ 16:10	Coffee Break (show the propagandistic DVD about biodiversity programme in South China Sea)
16:10 ~ 16:30	The impact of Climate Change on Marine Biodiversity Wen Quan, Professor, National Marine Environmental Monitoring Center
16:30 ~ 16:50	The Research of Coastal Carrying Capacity based on Ecosystem Ye Shufeng, Researcher, Environmental Monitoring Center in Eastern China Sea, SOA
16:50 ~ 17:10	The Construct of Marine Protected Areas based on Ecosystem Yang Xinmei, Researcher, National Marine Environmental Monitoring Center
17:10 ~ 17:30	The Marine Biodiversity Protection and Practice based on Ecosystem in Hainan Demonstration Area Chen Gang, Division Chief, Department of Marine and Fishery of Hainan Province
17:30 ~ 18:00	Discussion
18:00	End

Workshop on Innovating Marine Services & Developing Marine Industries

Date: Nov.8, whole day

Venue: Xiamen International Conference & Exhibition Centre

Sponsor: Chinese Society for Oceanography

Nov.7 Saturday (Lobby of Xiamen Peony Wanpeng Hotel)	
08: 00-23: 00	Registration
Nov.8 Sunday (Multi-function Hall on 9F of Xiamen Peony Wanpeng Hotel)	
08: 30-08: 45	Session I Remark from Leader of Chinese Society of Oceanography
Chair:	Leader from Third Institute of Oceanography of SOA
08: 45-12: 00	Session II Keynote reports
Chair:	Leader from Xiamen Oceans and Fisheries Bureau
08: 45-09: 35	Construction of the blue marine economic zone -- Ding Dwen, Academician of Chinese Academy of Engineering, Researcher of First Institute of Oceanography of SOA
09: 35-10: 25	Status and direction of seawater use -- Prof. Yuan Junsheng , Chairman of Ocean Institute of Hebei Province
10: 25-10: 30	Coffee Break
10:30-11:00	Tendency and direction of port industry development under the background of regional economic integration -- Prof. Sun Shifang , Vice dean of Academy of Social Sciences of Hebei Province
11:00-11:30	National oceanic development planning (undetermined) -- He Guangshun , Researcher, Vice director of National Marine Information Center
11:30-12:00	China's coastal port planning and development -- Zhang Hua Senior Engineer , Vice Manager-General of Guangzhou Port Group Ltd.
12:00-14: 00	Lunch
14: 00-17: 00	Session III Keynote reports
14: 00-14: 30	Development of marine service industry, improvement of marine industry-level -- Prof. Han Limin , Institute of Marine Development in China

14: 30-15: 00	System of modern marine industry— A blue revolution which will decide the future -- Xiang Xiaomei Researcher , Academy of Social Sciences of Guangdong Province, director of Institute of Industrial Economy
15: 00-15: 30	Innovative dynamics of international marine cooperation and enlightenment to China -- Prof. Liu Shuguang , School of Economy and Management of Ocean University of China
15: 30-16: 00	The development of flatfish aquaculture in China under global vision -- Prof. Yang Zhengyong , Shanghai Ocean University,
16: 00-16: 30	Progressing and consideration of Yinbojixi Project -- Wang Xiushun, Chairman of Menghongyuan Desalination Co Ltd. of Xilingol
11 月 9 日 Field trip	

Seminar on Oceans and Coastal Zones Management in Developing Countries

Date: Nov.8, 09:00-17:30

Venue: Xiamen International Conference & Exhibition Centre

Organizer: Fujian Provincial Institute of Oceanography; Xiamen Oceans & Fisheries Bureau; Xiamen Municipal Bureau of Science and Technology

Nov. 6, Friday Attend the Main Forum Responsible Person: Xu Yi	
09:00 ~ 11:30	Attend the Opening Ceremony and Main Forum of WOW
12:00 ~ 13:50	Lunch
14:00 ~ 17:10	Attend Main Forum of WOW
18:00 ~ 19:30	Supper
Nov. 7, Saturday Attend Scientific Forum Responsible Person: Xu Yi	
09:00 ~ 11:30	Attend Scientific Forum
11:30 ~ 14:30	Lunch
14:30 ~ 17:30	To Be Decide
18:00 ~ 19:30	Supper
Nov. 8, Sunday Seminar on the Oceans and Coastal Zones Management in Developing Countries Responsible Person: Liang Hongxing	
09:00 ~ 09:30	Session I: Leader's Remarks
	Chair: TBD
09:00 ~ 09:10	Remark of leader from Foreign Aid Department, Ministry of Commerce of PRC
09:11 ~ 09:20	Remark of leader from Xiamen Municipal Government
09:21 ~ 09:30	Remark of leader from Fujian Provincial Department of Oceans and Fisheries
09:30 ~ 11:00	Session II: Keynote Reports
	Chair: TBD
09:30 ~ 11:30	The Main Report of Conference (2 Foreign Government's Officers from Developing Countries, 3 Domestic Experts)
12:00 ~ 13:50	Lunch
14:00 ~ 17:00	Session III: Special Reports
	Chair: TBD
14:00 ~ 17:20	Conference Reports of Foreign Government's Officers, who come from 6 different Developing Countries
17:10 ~ 17:20	Conclusion (Scheduled to invite leader from Cooperation Division, SOA)
18:00 ~ 19:30	Supper

2009 International Seminar on Protection of Whales and Dolphins in China (Xiamen)

Date: Nov.8,

Venue: XiaMen JinShaWan Hotel

Topic: Whales and Dolphins in China: Research and Conservation Measures

Sponsor: Xiamen Oceans & Fisheries Bureau

Organizer: The Third Institute of Oceanography, China SOA

Time	Agenda	Chair/ Speaker
Nov. 8th (Sunday)		
	Opening Ceremony	Lumin ZHOU
08:30	Welcome remarks by leaders of Xiamen	
08:40	by leaders from Department of International Cooperation, SOA	
08:50	by leaders from Environmental Protection Division, SOA	
09:00	Welcome remarks by leaders from the Office of Wild Aquatic Fauna & Flora Conservation, MOA	
09:10	by leaders from Xiamen Oceans & Fisheries Bureau	
09:20	by leaders from the Third Institute of Oceanography, SOA	
09:30		
	Topic 1 Population Ecology & Conservation	Yixun NI
09:50	Cetacea in China	Qian ZHU Binyao CHEN
10:20	Home range characteristics of Indo-Pacific humpback dolphins (<i>Sousa chinensis</i>) in Xiamen, China	
10:35	Coffee Break	
10:55	Research progress and current status of <i>Sousa chinensis</i> in Taiwan	Lianxiang ZHOU
11:10	Delphinid socio-behavioural variability: Does it matter for conservation?	
11:25	A preliminary result about cetaceans in Chao-Shan waters	Leszek Karczmarski Wenhua LIU
12:00	Lunch	
		Yixun NI
14:15	Ecological patterns in cetacean life history: its implication for conservation	Tadasu Yamada
14:30	Present Status of Coastal Cetaceans of Japan	
14:45	Stranding Records of Beaked Whales in Waters along Chinese Mainland	Jiabo HAN
15:00	Photo-identified individuals of Indo-Pacific humpback dolphins (<i>Sousa chinensis</i>) in the eastern waters of Zhanjiang	Kaiya ZHOU
15:15	Trend and vulnerability of eastern Taiwan Strait <i>Sousa chinensis</i> : Can this population persist?	Xianglin HUANG
15:30	Coffee Break	

	Topic 2 Conservation Genetics	Kaiya ZHOU
15:50	Stock structure on common minke whales distributed in Japanese waters as revealed by mitochondrial DNA analysis	Mutsuo Goto
16:20	Preliminary Study on the Genetic Status of the Finless Porpoise <i>Neophocaena phocaenoides</i> in the Bohai and Northern Yellow Seas Based on Microsatellite and Mitochondrial DNA Analysis	Xiang LI
16:35	Genetic Variation of the MHC DQB Locus in the Finless Porpoise (<i>Neophocaena phocaenoides sunameri</i>) from Bohai Sea and Northern Yellow Sea	Yingying LIU Yuping WU
16:50	The hereditary constitution and related diseases of <i>Sousa chinensis</i>	Guang YANG
17:05	Sequence polymorphism and geographical variation at a positively selected MHC-DRB gene in the finless porpoise (<i>Neophocaena phocaenoides</i>): implication for recent differentiation of the Yangtze finless porpoise?	
17:20	Seasonal distribution and population genetic structure of finless porpoise, <i>Neophocaena phocaenoides</i> in Matsu water	Qiuru YAO
18:00	Banquet	
Nov. 9th (Monday)		
	Topic 3 Behavior & Acoustics	
		Ding WANG
08:30	Range-wide and local passive acoustic survey of Yangtze finless porpoise using stereo acoustic data-loggers	Ding WANG
09:00	Acoustic protection research on Chinese white dolphins	Xiaomei XU
09:15	Behavior of Indo-Pacific humpback dolphins (<i>Sousa chinensis</i>) in the eastern waters of Zhanjiang	Xinrong XU
	Topic 4 Protection & Management of Nature Reserves	Tadasu Yamada
09:30	Management of Xiamen national nature reserve of Chinese white dolphin	Rongbiao HONG
10:00	The use of Marine Protected Areas in cetacean management: International overview and the Hawaiian experience	David Mattila
10:15	Supervision and enforcement in PRE national nature reserve of Chinese white dolphin	Jialin CHEN
10:30	Coffee Break	Finn Larsen
10:45	The western gray whale rangewide conservation plan	Wenhua JIANG
11:00	Status, problem and strategy of Yangtze finless porpoise ex situ conservation in Tongling national nature reserve of freshwater dolphins	
11:15	Regional conservation of Chinese white dolphin	Shoujian WU
11:30	Problem and status on ex-situ conservation of Yangtze finless porpoise	Daoping YU
11:45	Closing	
12:00	Lunch	
14:00	Field trip	
18:00	Banquet
